DEPARTMENT OF CIVIL ENGINEERING

MINUTES OF THE BOARD OF STUDIES MEETING

24 June 2026

The Third Board of Studies (BoS) Meeting of Civil Engineering department was held on 23 June 2026 at 02:00PM through online via Zoom link and off line at Board of Directors Room to discuss and finalize the B. Tech-Civil Engineering Programme, courses and its syllabi for III & IV-Year as per UR24 Regulations inline with AICTE norms and JNTUK guidelines.

The following members were present in the meeting through online via Zoom link:

S. No.	Name of the BoS Member with Designation and Address	Position	Signature
1	Prof. M. Swaroopa rani Professor, CE Department, UCEK, JNTUK, Kakinada	Member - University Nominee(UG)	
2	Dr. T. Suresh Babu. HoD& Professor in Civil Engg. YJRBNR College of Engineering, Machilipatnam.	External BoS Member & Subject Expert	
3	Dr. Thota Venkata Siva Vara Lakshmi. Professor & HoD, Dept of Civil Engg, Acharya Nagarjuna University College of Engg	External BoS Member & Subject Expert	
4	Mr. J. Uma Maheswara Rao Senior Manager, Aurobindo Reality & Infrastructure Pvt Ltd.	Industry Expert	
5	Mr. G. N. V. Naga Krishna CEO, Structural Design Consultancy	Alumnus	

The following members were present in the meeting through offline at Board of Directors Room:

S. No.	Name of the BoS Member with Designation and Address	Position	Signature
1	Mrs. K. Sahithi Associate Professor, Dept. of Civil Engg, UCET	Chairman	
2	Mrs. B. Samatha Associate Professor, Dept. of Civil Engg, UCET	Internal BoS Member	
3	Mr. G. Manikya Rao Associate Professor, Dept. of Civil Engg, UCET	Internal BoS Member	
4	Mr. T. Murali Associate Professor, Dept. of Civil Engg, UCET	Internal BoS Member	
5	Mr. V. Swami Srinadh, Associate Professor, Dept. of Civil Engg, UCET	Internal BoS Member

Minutes of Civil Engineering Board of Studies for B. Tech programme of the Universal College of Engineering & Technology are as follows:

At the onset of the meeting, the Chairman of Board of Studies Mrs. K. Sahithi, welcomed and introduced all members to the Board. The meeting began with presentation of course structure as per AICTE norms & JNTUK Guidelines and various categories of courses with its syllabi adopted for III & IV-Year B. Tech-Civil Engineering.

Resolutions of the Meeting

Agenda 1: To **finalize and approve** the B. Tech-Civil Engineering various category of courses and its syllabi to be included in **III and IV year B. Tech- Civil Engineering Curriculum** as per Course Structure of UR24 Regulations.

Resolution 1: After due deliberations, the course structure under UR24 Regulations, in accordance with AICTE and JNTUK guidelines, was reviewed and approved for incorporation into the III and, IV year of the B. Tech- Civil Engineering programme.

Agenda 2: To **approve** III and IV year various **Category of courses to be included in the Course Structure** as per UR24 Regulations.

Resolution 2: After due deliberations, the different categories of courses—namely Professional Core, Professional Electives, Engineering Sciences, Skill Enhancement, Management and Mandatory Audit Courses, as well as Honors and Minors—along with the adoption of Open Electives, to be offered by other departments, were reviewed and approved for incorporation into the III-I, III-II, IV-I, and IV-II semesters with project work of the B. Tech- Civil Engineering programme, in alignment with UR24 Regulations and in accordance with AICTE and JNTUK guidelines.

Encl: Annexure –I: Course Structure.

Agenda 3: To **approve** Courses included in the **III and IV year CE-Curriculum** viz **Professional Core, Elective, Skill Enhancement, Mandatory** courses etc as per the Course Structure.

Resolution 3: After due deliberations, the courses along with their syllabi—covering Professional Core, Electives, Skill Enhancement, and Mandatory Audit Courses for the B. Tech- Civil Engineering programme—were discussed and approved by the BoS members, in accordance with the prescribed course structure under UR24 Regulations and the AICTE and JNTUK guidelines, for incorporation into the III-I, III-II, IV-I, and IV-II semesters.

Enclosures: Annexure –II-CE-Professional Core and Elective Courses-syllabus

Agenda 4: Inclusion of **Open Electives, Honors, Minors, Blended Learning-Credit Transfer** courses etc in the Civil Engineering -Curriculum.

Resolution 4: After due deliberations, the courses along with their syllabi—covering Open Electives suggested by other departments, Honors, Minors, and Blended Learning–Credit Transfer courses for the B.Tech- Civil Engineering programme—were discussed and approved by the BoS

members, in accordance with the prescribed course structure under UR24 Regulations and the AICTE and JNTUK guidelines, for incorporation into the III-I, III-II, IV-I, and IV-II semesters.

Enclosures: Annexure –III: Honors, Minors, Blended Learning-Credit Transfer courses

Agenda 5: Evaluation Modalities of various courses being adopted.

Resolution 5: After due deliberations, the evaluation modalities of various courses in the III and IV years of the B. Tech– Civil Engineering undergraduate programme—covering assessment methods for each category of courses, the weightage between Internal Assessment and Semester End Examinations, and continuous evaluation strategies for skill-based and elective courses, including Honors and Minors—were discussed and approved by the BoS members under UR24 Regulations, in accordance with AICTE and JNTUK guidelines.

Enclosures: Annexure –IV: Evaluation modalities of various courses

Agenda 6: Any other matter with permission of the Chairman.

Resolution 6: While discussing the above agenda, all nominees and experts of the BoS were requested to provide suggestions for inclusion in the curriculum. The following recommendations were made:

General Suggestions:

1. Dr. M. Swaroopa Rani, Professor of CE Department, JNTUK, Kakinada, JNTUK suggested to introduce Minors and Honors in the Second year onwards for B. Tech students.
2. Dr. Thota Venkata Siva Vara Lakshmi Associate Professor of CE Department, Acharya Nagarjuna University & Dr. T. Suresh Babu, Professor of CE Department, YJRBNR College of Engineering, Machilipatnam suggested to send the students to the construction sites for their internships.
3. Mr. J. Uma MaheswaraRao, the Senior Manager, Aurobindo Reality & Infrastructure Pvt Ltd, suggested sending the students for their project work to reputed construction companies for getting real-time exposure.
4. Mr. G. N. V. Naga Krishna, CEO, Structural Design Consultancy, suggested sending the students to visit Constructed site and Dams for getting knowledge

According to the suggestions given by the Subject Experts, Industry Expert, and all other members of the body, the Chairman of the CE-Board of Studies, Mrs. K. Sahithi decided to implement the course structure and syllabus by taking the approval from the academic council in its meeting.

The meeting ended with a vote of thanks proposed by Mrs. K. Sahithi, the chairman of the CE-Board of Studies.

5	Mr. V. Swami Srinadh, Associate Professor, Dept. of Civil Engg, UCET	Internal BoS Member	

HEAD OF THE DEPARTMENT

Dept. of Civil Engineering

Universal College of Engg. & Tech.-Autonomous
Dokiparru(V), Medikonduru(M), Guntur-522438, AP

Minutes of civil engineering Board of Studies for M. Tech SE programme of the Universal College of Engineering & Technology are as follows:

At the onset of the meeting, the Chairman of Board of Studies Mrs. K. Sahithi, welcomed and introduced all members to the Board. The meeting began with presentation of course structure as per AICTE norms & JNTUK Guidelines and various categories of courses and its syllabi adopted for I & II-Year M. Tech-Structural Engineering. She presented the various category of the courses along with its syllabus to the board.

Resolutions of the Meeting

Agenda 1: To discuss and finalize the M. Tech-SE Course Structures.

Resolution 1: The M. Tech-Structural Engineering Course Structure as per UR26 regulations in line with AICTE norms and JNTUK guidelines presented by the chairman and approved by the all the members of the board.

Encl: Annexure –I

Agenda 2: To discuss and finalize the M. Tech-SE various category of the courses included in the UR26 regulations.

Resolution 2: The M. Tech-SE various category programme core, programme elective, Summer internship, Project and dissertation for I-I, I-II & II-I and II-II Semesters as per UR26 regulations with AICTE norms and JNTUK guidelines presented by the chairman.

Encl: Annexure –II

Agenda 3: To discuss and finalize the M. Tech-SE courses and its syllabi as per UR26 regulations inline JNTUK guidelines presented by the chairman and approved by the members of the board.

Resolution 3: The M. Tech-SE Courses and its Syllabi as per UR26 Regulations inline with JNTUK guidelines was presented by the BoS chairman and approved by the board.

Encl: Annexure –III

Agenda 4: To discuss evaluation modalities of Tech-SE Courses Evaluation.

Resolution 4: The M. Tech-SE programme core, programme elective, summer internships and project (theory and practical) courses evaluation modalities as per UR26 Regulations inline with JNTUK guidelines was presented by the BoS chairman and approved by the board.

Encl: Annexure –IV

Agenda 5: Any other matter with permission of the Chairmen.

Resolution 5: While discussion on the above agenda, all members of the BoS requested for the suggestions. And they were suggested the following

HEAD OF THE DEPARTMENT
Dept. of Civil Engineering
Universal College of Engg. & Tech.-Autonomous
Dokiparru(V), Medikonduru(M), Guntur-522438, AP
Page 2 of 3

General Suggestions:

1. As we are developing our curriculum as per UGC and AICTE guidelines, University Nominee, and External BoS Member, advised changing up to 20% of the courses and their syllabus, if acceptable.
2. Dr. Thota Venkata Siva Vara Lakshmi Professor of Civil Engineering of Acharya Nagarjuna University & Dr. T. Suresh Babu, Professor of CE Department, YJRBNR College of Engineering, Machilipatnam suggested to send the students to the construction sites as a part of internships.
3. Mr. J. Uma MaheswaraRao, the Senior Manager, Aurobindo Reality & Infrastructure Pvt Ltd, suggested sending the students to the project work to get real-time exposure and knowledge.
4. Mr. G. N. V. Naga Krishna, CEO, Structural Design Consultancy, suggested sending the students to visit Construction sites for the real time exposure.

According to the suggestions given by the University Nominee, External Experts, Industry Expert, and all other members of the body, the Chairman of the CE-Board of Studies, Mrs. K. Sahithi decided to implement the courses and its syllabi by taking the approval from the academic council in its meeting.

The meeting ended with a vote of thanks proposed by Mrs. K. Sahithi, the chairman of the CE-Board of Studies.
