ABOUT NISP

MIC focuses on creating a complete ecosystem that will develop into a successful start-up in all educational institutions from generation of ideas to pre-incubation, incubation and incubator to graduation. MIC also works on designing a ranking system to identify companies that are the Forefront of innovation.

The Ministry of Education has set up the 'Innovation Cell of MoE' with the mandate to work with our Higher Education Institutions (HEIs) to encourage the creative energy of our student population to work on new ideas and innovations and to create start-ups and entrepreneurship.

Vision

Encouraging nurturing, innovation and establishing a strong ecosystem between student and faculty capable of transforming ideas into start-ups for the well-being of mankind.

Mission

The organization has a mission to empower graduate ability by following the goal and guidelines of the MHRD Innovation Cell.

And by empowering students and faculty, encouraging and motivating them towards innovation.

- To promotes multidisciplinary innovations by providing strong ecosystem support.
- Support to add value by providing IPR related activities and commercialization.

Objective

To promote and encourage the aspiring students and faculty members to carry out research in the field of science, engineering and technology by providing necessary facilities and infrastructure.

To convert the research outcome/ ideas/ models into products/businesses.
