CULTURAL CLUB

A cultural club is a club dedicated to spreading awareness, understanding, and appreciation of a particular culture, its people, diversity, and values.

Vision:

Cultural club focuses on promoting Indian culture and tradition through various cultural activities in the field of fine arts and also provide platform for the students to display their talents and learn and keep up the Indian heritage and culture and achieve cultural unity.

Mission:

Our mission is to promote exposure and to increase the awareness of the students towards the fine arts of the world. The club also acts as a forum to improve one's communication skills, expressivity and critical thinking power. Various enjoyable events are conducted under this club which not only entertain but also enrich our understanding of various different cultures and practices and introduce us to new exotic art forms from around the globe!

Plan of action:

- Locate latent talent of students and enhance through different activities
- Make the students achieve an integration of their interest and abilities to achieve a wholesome personality
- Enhance their concentration and capacity , focus on their work which would help them in their career
- Provide pleasant stay on the campus with diverse activities

FACILITIES

The facilities provided by the club are:

- Well-equipped audio-video studio for recording,
- Musical instruments for practice and performances
- A well equipped auditorium for practicing and showcasing performance.
- Training from professionals to develop advanced skills and techniques for performing in cultural festivals.

Roles:

- The cultural club of the college is expected to locate and enhance the creative talents of the students in fields, other than academics
- The club is expected to create a pleasant ambience for the students on the campus to fill, delight in their study period.
- The club helps the thought process of the students to participate in various activities simultaneously, to help their multitasking activities.

Responsibilities:

- The members of the committee are expected to attend monthly meetings regularly and participate in the discussions meaningfully
- The faculty is expected to guide the students in the activities assigned to them.
- The student members are expected to be available to the committee members as and when needed
- All the members are expected work with unity and achieve the expected results for each activity planned by the club.

The cultural club consists of Dance club, Music club, Drama club, Fine arts club, Photography club etc
